Hope For The Future

We Perform Free Home Repairs for Vulnerable Homeowners.

Each summer, we send out teams of teenage and adult volunteers who give freely of their time and energy to perform free home repairs for homeowners. We are able to work on about 60 houses annually.

What Kind of Repairs Can the Volunteers Do?

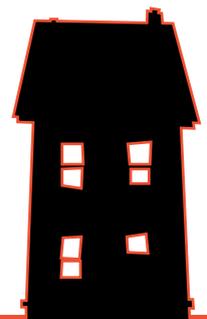

Our work teams are not professional contractors. Most team members are teenagers. Nevertheless, we aim to do good quality work that is a service to you. Our teams do most home repair projects, including painting, drywalling, carpentry, and some masonry, roofing, and plumbing.

Who Supervises the Work?

Teams are directly supervised by the adult leaders who come with the teams. Sometimes the adults are pastors or teachers; sometimes they are volunteers who enjoy helping young people learn to serve. Our staff members deliver supplies, help build bridges of friendship among the team members and you, and offer technical assistance to the teams.

Do the Volunteers Get Paid?

No, they don't. All the students and adult leaders volunteer their time and efforts. In fact, team members actually pay tuition to come to The Project; their tuition provides for their meals, lodging, and materials.

Our Vision

That Pittsburgh will be called a City of Truth, where once again, men and women of ripe old age will sit in the streets, each with cane in hand because of age, and where the city streets will be filled with boys and girls playing there (from Zechariah 8:4-5).

Our Purpose

We develop servant leaders and uphold the dignity of vulnerable homeowners.

Our History

Founded in 1985, The Pittsburgh Project is registered as a 501(c) 3 nonprofit corporation, and is a member of the Evangelical Council for Financial Accountability.
